Funds From Sale of Xmas Seals Used With Splen- did Results

1909 ORGANIZED HERE

Anti-Tuberculosis Society Has No
Paid Officers—All Funds Used to
Alleviate Suffering Humanity

The Alexandria Anti-Tuberculosis
society was organized in 1909
and its first funds were obtained
from the sale of Red Cross Christ-
mas seals of that year. Its original
purpose was to help by propaganda
and active service in the crusade
against tuberculosis. As the work
developed the great need of preven-
tion through nursing care and in-
struction in the home became ap-
parent. In the spring of 1911 the
society was enabled to engage a dis-
tinct nurse, through the generosity
of public spirit of the representa-
tives in Congress from Alexandria,
Mr. C. C. Carlin, and the coopera-
tion of the Alexandria Hospital
the work of the nurse was not con-
fined to tuberculosis patients but ex-
tended to all sick and suffering in
the city, and the society became then
a nursing association. From
the year of 1918 it has maintained two
nurses in Alexandria.

From its inception, the association
furnished relief, ice, milk, eggs,
linen, bed linen, and in some in-
stances, to persons suffering from
tuberculosis in their homes, and to
the present has sent ten persons
to Alexandria or vicinity to the
tuberculosis sanatorium at
Arling, paying their board while
there. Instructive anti-tuberculosis
public health literature has been
distributed, several public lectures on
the subject have been given under
auspices of the society, one ex-
hibiting showing through posters, etc.,
ravages and growth of the White
Plague was prepared and shown in
Alexandria several years ago in
connection with the Consumers' ex-
hibition.

The management of the associa-
tion is vested in four officers, a board
of twelve directors inclusive of such
persons—all women—and an advisory
board of business and professional
men. The association was organized
by Miss Rosa MacDonald, who was
elected its first president and held
office until 1918 when she was suc-
ceeded by Mrs. Thomas W. Robin-
son. Its present and first vice-presi-
dent is Mrs. Wm. Campbell, its sec-
retary Mrs. C. S. T. Burke, and the
present treasurer, Miss Fanny S. Her-
bert, has had charge of its funds
since the society was formed. Mrs.
J. Howell and Mrs. William J.
Howell of the present directorate
charter members of the board
have been actively engaged in the
work since 1909.

The regular sources of income of
the association are membership dues
one dollar a year, contributing
memberships and donations, fees col-
lected by its visiting nurses from
able to pay something, and fees
received from the Metropolitan Life
Insurance Company for visits of the
nurses to its policy holders when
the present rate being fifty-five
cents a visit. These funds have been
mentioned in other years by half the
needs of the Christmas seals sold
the association, by occasional en-
joyments, luncheons and showers,
by several appropriations from
the city.

The organization has no office ex-
cept the only salaries paid are
to its nurses. The regular ex-
penses consist of such salaries,
renting new to one hundred and
fifty-five dollars a month, furnish-
ing uniforms and equipment to the
nurses when needed, a monthly drug
and dressing bill, replenishing from
time to time the stock of bed linen,
clothes, etc., supplying material
relief to tuberculosis persons at
their homes; and for the greater part
the time, the maintenance of tu-
berculosis patients at the state tu-
berculosis sanatorium.

With the limited resources at its
command, this organization has main-
tained a high standard of public
health, and its service during the
Spanish epidemic two years ago,
when its nurses paid over a thousand

visits in one month, and the follow-
up work thereafter have, it is be-
lieved, reduced to the minimum tu-
bercular results in the community.

To Give Address Tomorrow Night
A series of talks on the Holy Land
will begin tomorrow night at 7.30 at
Trinity M. E. Church, east side of
South Washington street. Dr. Mar-
tin announces as his subject for to-

Will Entertain

O. D. Boat Club to Give Series of
Smokers During Xmas Holidays

At a recent meeting of the O. D. Do-
minion Boat Club it was decided to
hold the second of the series of spe-
cial winter smokers, being given by
the club, on Wednesday night during
the Christmas Holidays in order that
the members, who are away attend-
ing schools, can have the opportunity
to attend this while home. The en-
ertainment committee say that the
program for this entertainment will
be especially interesting.

It was decided to reserve a section
of the club for the pictures of
our winning crews, trophies, etc., the
balance of the room to display pic-
tures of camps made by members
along the Potomac river, fishing,
sailing, etc.

NO GAME SUNDAY

Despite strenuous efforts by the
Dreadnaught management, no Sun-
day game had been booked up to a
late hour this afternoon, inasmuch
as the majority of the teams have
disbanded for the season.

Officials of the Rex A. C. and the
Dreadnaught A. C., of Alexandria,
reached an agreement last night
whereby the two clubs will meet in
their annual football game at Union
League Park on Sunday, December
12. It was understood that Rex
and the Mohawks would play off
their postponed game on this date,
but Manager Wright explained last
evening that this date was offered
to the Indians with the clause
"should the Dreadnaughts fail to
come to terms."

EQUESTRIAN FEATS

Fort Myer Riding Hall is to be the
scene of a special exhibition drill
on Friday, December 17th, at 2:30 in
the afternoon, when the Third Cav-
alry and the Nineteenth Field Artil-
lery will display some marvels of
horsemanship and cannon manipula-
tion. In order to meet the needs of
the recent war a charge will be made
for the boxes and individual seats,
the same to be had of the post ad-
jutant by telephone or letter. Music
will be furnished by the Cavalry
Band under the direction of Sergeant
Walliston, and after the exhibition
there will be a tea and dance, to
which the public is invited. Among
those who have already engaged
boxes are Mrs. Newton D. Baker and
Mrs. Nicholas Longworth.

Firebugs Active

Set Fire to Ferry Slip and a Bog
Car—Damage Trifling

Fire supposed to have been of in-
cendiary origin last night threatened
to destroy the old wooden ferry slip
at the foot of King street. The blaze
was discovered in time and the fire
department responded before much
damage was done. It was shortly
after 10 o'clock when the alarm was
sounded.

A few minutes before that alarm
a Southern Railway box car on Union
street near Prince streets, also caused
an alarm and this fire, also supposed
to have been of incendiary origin, was
quickly subdued.

True Fraternity

Topic of Three Speakers at Meeting
of Order of Foresters

The regular meeting of the Mt. Ver-
non Court of the Independent Order
of Foresters was held last night in
the K. of P. Hall on Cameron street.
Owing to the enterprise of the en-
tertainment committee, the meeting
was adjourned early in order that
these present might enjoy the pro-
gram which had been arranged. The
main features of the program were
speeches by Rev. Dr. E. B. Jackson
of the First Baptist Church, Rev. Ed-
gar Carpenter, rector of Grace Epis-
copal Church, and Louis L. White-
stened who were the invited guests
of the evening. The speakers confin-

benefit and achievements that may
be acquired through the exercises of
"True Fraternity" and all of the
speeches were interesting and great-

Another interesting feature of the
program was the piano selections
rendered by Mrs. MacCullum. At the

the owner of 107 silk handkerchiefs
and a lot of miscellaneous articles
found thrown abandoned in a box yes-

North Royal street. Included in the
box in addition to the handkerchiefs
were seven cheap nail buffers, a num-
ber of colored shoe horns, a small mir-
ror, powder puff and cheap rubber

cles.

The police think the articles were
stolen from some store. They were
packed in a box with bare the trade

Anticipate Big Crowd

Y. M. C. A. to Hold Mass Meeting To-
morrow—One for Men and
One for Women

Fire Chief Kenneth Ogden, has
given orders that the theatres shall
not be crowded Sunday afternoon at
the Y. M. C. A., meetings for women
and men. In anticipation of the
crowds that will attempt to get in
to hear the unique addresses and see
the unusual films; the chief is tak-
ing the safety first plan and posi-
tively states that there will be no
endangering of life by over-crowding.
Consequently as soon as the the-
atres are full the doors will be closed.
However the Y. M. C. A., officials be-
lieve that since the crowd will be
divided between the two theatres
there will be less danger of an im-
possible crowd. Admission will be by
ticket only but every effort is being
made to see that all who desire
tickets secure them. They are at the
drug stores or can be had at the Y.
M. C. A. office at the Westminster
Building.

Rev. R. B. Nelson, director of the
state bureau of Social Hygiene, will
address the men at the Richmond
Theatre at 2:30 o'clock, and Dr.
Rachelle Yarros, of Chicago, will
address the women at the Incomar at
3:30. Both lectures will be illustrated
by motion pictures which are the
latest product of government agen-
cies for social hygiene. The theatres
will be open some time before the
lectures and every effort made to
comfortably care for the crowds.

Dr. Rachelle Yarros, who will
speak to the women at the Incomar
is a personal friend of Mrs. M. L.
Horne, of 601 Duke street, and will
doubtless be a guest in her home
while in Alexandria. They were as-
sociated in college work in the Uni-
versity of Chicago for several years
and were glad for this opportunity to
renew old acquaintances.

IN MEMORIAM

A sad but loving remembrance of
our dear husband, JOHN T.
ROBEY, who departed this life one
year ago today, December 4, 1919.
He is no more here,
The oldest of the year,
Dear husband you have left me
heart-broken.
In this hard old world to fight
life's battle alone.
I shall wipe away all tears from
my eyes,
I shall be the silent slumber in
the grave so low,
It is heaven I hope to meet him
When no farewell tears shall flow.
By his devoted wife and children.
The midnight stars are gleaming.
Upon his silent grave,
The angels love so dearly,
And tried so hard to save.
The dear one now is sleeping,
No care is on his brow,
His home is not for weeping
For we have no father now.
His loving grandchild,
